

ASC A11 Main Committee Roster

Chairperson: Tracy Dutting-Kane

Vice-Chairperson: Raymond Perez

2015-2016

A11 Main Committee Scope:

Standards relating to scaffolding, suspended scaffolding, shoring and forming products and related components and accessories. The standards would focus more on design, manufacturing, and performance testing as opposed to safety and use, which is covered already by ANSI A10.8 Standards and would neither duplicate nor conflict with A10.8.

A11 Secretariat: The SAIA serves as the Secretariat.

About: The Scaffold & Access Industry Association (SAIA) is a non-profit trade 501(c)(6) association committed to raising the standards of professionalism within the scaffold and access industry. The SAIA represents all facets of the scaffold & access industry through various councils that include, aerial work platform, construction hoist, fall protection equipment, international, industrial, mast climbing, plank and platform, shoring, supported scaffold and suspended scaffold. Through its various programs, the SAIA promotes safety, training and a highly professional, responsible image of the scaffold and access professional. The SAIA delivers thousands of safety training programs a year at various locations throughout the world. These programs cover all aspects of scaffold and access safety and equipment use. The SAIA also serves as the secretariat for the American National Standard, SAIA ASC A92 Aerial Platforms standards.
